**Effectively Treating Insomnia**

It is know fact that, sleep is most important for maintaining good health. [Insomnia](#) is a prevalent problem and when it invades your peaceful life, you are not able to get required relaxation for next day work and as a result of which you are not able to work properly. **Insomnia** eventually damages your personal and professional life to greater extent and makes your life more tired and dull. One of the main reasons for insomnia is extra mental and physical stress that an individual bears. Lack of proper sleep makes you irritating and annoying, and you get fatigued of any work in shorter period of time. Normal sleeping hours includes sound sleep of 7-8 hours but it always from varies with teenager and babies, as teenager requires hours more and babies need sleep of 16 hours each day. Every time sleeping hours is not important, but it depends on quality sleep during those hours of sleep, because lack of quality sleep ultimately leads to physical and mental fatigues. Insomnia also caused damage to immune system and increases stress and depressions in an individual. Numerous techniques are available that might offer temporary relief such as deep breathing exercises, some herbal sleep aid tablets, yoga, and muscle relaxation can also be helpful in getting a restful night of sleep. Sleeping disorders is a most common type of problem that affects millions of people all around the world and best way to treat this problem is to take sleeping tablets. There are numerous local brand sleep aid tablets are available in the market, but they might lead to several side effects such as hangover for all day long and in many cases, it might worsen the situation. Sleep aids tablets manufactured by local brands may causes to side effects such as irritability, tremors, headaches and sickness. **JustOTC Online Store** provides Unisom Night Time Sleep Aid Tablets which is manufactured with fast asleep formulation that is safe and effective. It offers instant relief from insomnia as it does not contain any heavy and harmful chemical content compared to prescription medicines. [Unisom Night Time Sleep Aid Tablets](#) is sleeping aid that makes you sleep faster, easier and for longer period of time.
