

CleantoGleam has been making a splash in the media!

Following on from the fabulous write-up about our seven products in Dockwalk – the Fort Lauderdale based crew magazine – we have since been featured in Motorboat & Yachting and Sailing Today magazines.

We are proud to be acknowledged in the media, but what makes us even prouder is when we receive feedback that CleantoGleam's products really do work (which we already know)!

Currently online at the prestigious Superyacht News website, through the following link <http://www.superyachtnews.com/crew/product->

[review-cleantogleam](#), is a review of our products from the crew of M/Y Globas.

Quite frankly no-one knows whether a product works better onboard a superyacht than the crew and to know that we have helped them clean their beautiful 42m yacht well and with ease is a joy!

CleantoGleam's [Boat Wash](#), [Boat Polish](#), [Boat Wax](#), [RIB Cleaner](#), [Glass Cleaner](#), [Interior Cleaner](#) and [Deodoriser](#) are all available to buy now at your local chandlery. Alternatively you can buy our entire range online, please follow [this link](#).
